

Dear Sirs & Madams,

I have serious concerns regarding the targeting (as I see it) of Howard Stern by your organization and the lack there of the Oprah show on March 18th. My children are in school during the Howard Stern Show and unable to listen as are most children in the United States. As an adult I can choose to turn Howard off if I like. Any United States educated citizen knows and can determine what is offensive to them. However, my children age 7 and 15 are home when Oprah is on at 4 in the afternoon. I work from home and can police thier television as I see fit. In the beginning of the March 18th show my 7 year old was playing in her room and the 15 year old was in the living room reading when the Oprah Show came on. My office is off of the living room so I could here the show. My 15 year old is mature enough to hear about teenage sex and the consequences. It was when the show went PORN in my opinion that I had to start explaining why teenagers would do this. To make matters worse he just finished Sex Education in Health class and they never mentioned any of these slang terms for sexual acts. In my opinion if you are going to crack down on Howard you definitely need to crack down on Oprah. She is on when Americas Children are home. I have attached the transcripts for you to review. Would you want your children to here this? The Oprah Winfrey Show Transcript

Clip One

Oprah: Lets talk about that secret language Michelle.
Michelle: Yes
Oprah: I didn't know any of this
Michelle: I have yea, I have gotten a whole new vocabulary
let me tell ya
Oprah: I did not know any of this
Michelle: Salad tossing, cucumbers, lettuce tomatoes ok
Oprah: ok so so what is a salad toss?
Michelle: ok a tossed salad is, get ready hold on to your underwear for this one, oral anal sex, So oral sex with the anus is what that would be.

Clip Two

Michelle: a rainbow party is an oral sex party it's a gathering where oral sex is performed and rainbow comes from all of the girls put on lipstick and each one puts her mouth around the penis of the gentleman or gentlemen who are there to receive favors and makes a mark um in a different place on the penis hence the term rainbow

Please take the time to look into this since Howard is on when Children are safe in our schools. To me Oprah has the bigger disregard for America's youth.

Sincerely,

Tamara Walborn
